## Professional Summary

MCA graduate with expertise in Full-Stack Web Development and modern JavaScript technologies. Experienced in developing and deploying production-ready client websites and full-stack applications using React.js, Next.js, TypeScript, Node.js, Express.js, and MongoDB. Skilled in building responsive user interfaces, RESTful APIs, authentication systems, Git/GitHub workflows, and delivering scalable, user-focused web solutions.

## Technical Skills

**Languages:** Java, JavaScript (ES6+), TypeScript, SQL, HTML5, CSS3

**Frameworks & Libraries:** React.js, Next.js, Node.js, Express.js, Tailwind CSS, Mongoose

**Databases:** MongoDB, PostgreSQL, MySQL

**Developer Tools:** Git, GitHub, Postman, VS Code, Vercel, Docker

**Core Concepts:** Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Database Management Systems (DBMS), RESTful APIs, JWT Authentication, Software Development Lifecycle (SDLC), Version Control

## Projects

### Dr. Ajit Singh | Client Healthcare Website

Live | 🌐 GitHub

*React.js, TypeScript, Vite, Tailwind CSS*

- Developed and deployed a healthcare website for a medical professional using React.js, TypeScript, and Tailwind CSS with a custom domain.
- Built reusable and responsive UI components for a consistent user experience across devices.
- Integrated contact and appointment forms with backend APIs for seamless user interaction and efficient data handling.
- Managed version control with Git/GitHub and deployed the application on Vercel.

### AT Global Traders | Client Business Website

Live | 🌐 GitHub

*Next.js 15, React.js, Tailwind CSS, MongoDB*

- Developed and deployed a corporate website for an international trading company using Next.js and Tailwind CSS with a custom domain.
- Designed responsive business pages with reusable Next.js components, improving performance and user experience across multiple devices.
- Integrated inquiry forms with backend APIs and MongoDB to securely store and manage customer requests.
- Collaborated using Git/GitHub and deployed the application on Vercel, ensuring efficient version control and continuous delivery.

## Education

### Invertis University

2026

*Master of Computer Applications (MCA)*

### Mahatma Jyotiba Phule Rohilkhand University

2024

*Bachelor of Computer Applications (BCA)*

## Certifications

- Google Data Analytics Professional Certificate
- IBM Data Science Professional Certificate
- IBM Data Analyst Professional Certificate
- Google AI Essentials
